Hon. Steven W. Rhodes, Presiding Judge

Re: ~~Objection to Discharge of Debt~~ ^{ELIGIBILITY} City of Detroit, Michigan under Chapter 9, Case No. 13-53846

May it please the Court:

This comes in response to the commencement of the "Chapter 9 Case", filed by the City of Detroit, Michigan, on July 18, 2013, under chapter 9, of title 11 of the United States Code (the "Bankruptcy Code"), in the United States Bankruptcy Court for the Eastern District of Michigan, Southern Division (the "Bankruptcy Court").

I, William Curtis Walton, having been identified as a Debtor of the City of Detroit, as a retired Supervising Building Inspector, having served the City for 32 years, thus earning a full service retirement with benefits, which went into effect on October 27, 2012, hereby file my objection to this action by the City of Detroit and seek an exception in this case, for the reasons listed herein:

1. I entered civil service at the City of Detroit, Department of Works, on May 15, 1978. Upon certification to the title of Junior Construction Inspector, I was given a package of documentation, which included the benefits of a full service retirement, which would be earned upon the completion of 30 years of service;
2. I received promotions to Construction Inspector, Building Inspector and finally Supervising Building Inspector, and worked as a dedicated City employee from that time until October 27, 2012, with the one interruption in that continuous period for an involuntary layoff, from June of 1982 until March of 1984.
3. Upon my retirement, I was given a package, reaffirming the benefits I earned for my 32 documented years of dedicated service, including:
 - a. My service pension
 - b. A full medical benefits plan
 - c. A dental plan
 - d. A vision plan
 - e. Life insurance coverage
 - f. The balance of my Annuity fund held by the City in the amount of \$45,030.64, as of 11/9/2012;

4. Throughout my career, City employees have suffered losses in equitable quality of life through imposed wage freezes and concessions, furloughs and other measures taken by the City due its leadership's failure to assure that its tax base would remain financially viable, by at least retaining residency requirements for its municipal employees. In the 1990's under the Archer Administration, when the so-called "Residency Rule" was lost, I could have left the City and would have received a tax benefit of a municipal income tax cut. However, I remained a loyal resident, property owner, taxpayer and inhabitant of the City of the Detroit, and remain so today. Further, as a city employee and a member of the Detroit City Employees Retirement System, the City has borrowed certain funds from that System, which need to be repaid in order for the fund to remain solvent. Allowing this bankruptcy to go forward would, in my opinion, have a "domino-like" effect of causing future such filings.
5. Any loss of the retirement income and/or benefits which I have earned would cause me serious and irreparable financial harm, because being over 50 years of age, employment opportunities are not so plentiful in this area, that I can readily resume my career. Therefore, it is my hope that this letter of objection finds favor with the Court and an exception is granted to me and my spouse and beneficiary, Trevay Y. Walton, in the event of my death.

Respectfully submitted,

William Curtis Walton
